

FOR IMMEDIATE RELEASE

GreenDart Awarded DHS CBP IV&V Subcontract

April 11, 2022 – San Pedro, CA

On September 24, 2021, the U.S. Department of Homeland Security (DHS) Customs and Border Protection (CBP) awarded a team, led by AMERICAN SYSTEMS and including GreenDart Incorporated, their Independent Verification and Validation (IV&V) contract. The contract, known as the CBP IV&V, is awarded under the Alliant 2 Government-Wide Acquisition Contract (GWAC) and has a one-year base period with four one-year options to extend the potential support to five years with a maximum value of more than \$200 million.

Scope of Effort

Under this CBP IV&V subcontract from AMERICAN SYSTEMS, GreenDart provides Office of Acquisition (OA) IV&V services to verify and validate that all products and systems acquired for border control and security, at and between the United States Ports of Entry, comply with CBP requirements, and that program management is performed in an effective and efficient manner. Specifically, GreenDart performs **IV&V to include:** 1) IV&V Program Support, and 2) IV&V Testing Support; and **System Engineering** to include: 1) Engineering Studies and Analyses; 2) Development of Innovative System Design and Deployment Approaches; 3) Technology Insertion; and 4) System Architecture Studies.

“CBP IV&V success is critical to deploying priority CBP capabilities that address important mission objectives. This effort allows GreenDart to extend our IV&V offering to CBP systems development efforts and deliver accurate and timely IV&V assessments.” Mr. Arde Bedjanian, GreenDart president said. “We have a continuous relationship with CBP since 2014 and remain committed to their success. We have a long relationship with AMERICAN SYSTEMS and are delighted to be a part their team.”

GreenDart’s awarded subcontract reflects the prime’s one-year base and four one-year options. GreenDart’s work will be performed in the Washington, D.C. metro area and across the continental United States as requirements dictate.

About GreenDart

GreenDart Incorporated is a HUBZone-certified small business which provides responsible and responsive Test and Evaluation, Verification & Validation, Cyber Resilience, and Data Analytics engineering services to government and industry.
